

The apple on my head

The saddest bad I ever had was when I was a lonely lad
who thought I was as mad as Brad
I was in the market for a car pet who would bark at sleeping lights
and keep me warm through sleepless nights

You replied that dog is on your bed
All you need is in the apple on your head
Ah ah ah, the apple on my head
Ah ah ah, the apple on my head
Ah ah ah ah, the apple on my head

The maddest girl I ever met was Virpi, she was a student
and I was as mad as Brad
I was waiting for the world to turn and working hard to make it burn
No one would act like that today

You replied that girl is long time dead
All I said is in the apple on my head
Ah ah ah, the apple on my head
Ah ah ah, the apple on my head
Ah ah ah ah, the apple on my head
